Part 2

Reading

Time: 15 minutes (15 points)

Task 1

Read the dialogue. For questions 1-8 choose the answer A, B or C.

Tomas: Hey, Hanna, do you have any plans for evening? Do you want to see a film?

Hanna: It sounds great! What film?

Tomas: I don't know... How about a thriller at the Odeon?

Hanna: Oh, I heard about that. It's terrible. I can't sleep after thrillers or horror films. I like romantic films with happy endings.

Tomas: Not for me!

Hanna: Really? Well. What kind of films do you like?

Tomas: I prefer exciting films with a bright superhero, for example, adventure about explorers or travellers. The action is always quick, so I want to watch them till the end.

Hanna: Oh yeah, I agree. I'm also a big fan of musicals. "The Phantom of the Opera" is my favourite.

Tomas: What!? They're not for me, for sure.

Hanna: Listen, Tomas! I just remembered one film that came out last week. It's a detective and it has a little romance and some action, too. It's really exciting because you can't guess who the criminal is and it has a surprise ending. What do you think about that one?

Tomas: Count me in! What time does it start?

Hanna: At quarter past three. We have enough free time.

Tomas: Do you want to have a snack before the film? We can have sandwiches at the cinema.

Hanna: Cool! Let's meet after classes.

Tomas: Agreed.

Task 2

1. Hanna doesn't like thrillers because they a
 - A. are dull
 - B. are awful
 - C. have a lot of music
2. Tomas prefer films with B

 - C. good endings
3. Hanna likes romantic films because they B
 - A. are frightening
 - B. have happy endings
 - C. exciting
4. Tomas dislikes C
 - A. detectives
 - B. adventures
 - C. musicals
5. Tomas and Hanna decide to see B
 - A. a comedy
 - B. a detective
 - C. a musical
6. What time does the film start? a
 - A. 3:15
 - B. 3:45
 - C. 2:45
7. Hanna and Tomas agree to eat C

Task 2

Read the article about very clever children and choose "True", "False" or "Not stated".

CLEVER CHILDREN

There are some special children, who are called child prodigies. They are unusually clever. They can, for example, write music or play chess at a very young age. No-one knows why they are so clever. There is nothing unusual about their parents or their families. Sometimes, a child prodigy is good at more than one or two things.

Francesca Contini looks like any other young teenager, but at 13, she's already started doing medicine at university. Francesca and her two older brothers are also excellent musicians and they have all played at concert halls in New York where they live. Their parents work in a supermarket. They have never been interested in music and they are very surprised by their children.

Twelve-year-old Peter Lee is already an excellent piano player. He is very bored at school, so in the evenings he teaches himself mathematics and science from books for university students. When he was five, he got first prize in a piano competition for children up to 18. At 10, Peter made his first CD. On it, he played many different kinds of music.
