## WRITING

I haven't been to the cinema around a year, but I want to tell you about a wonderful film that I saw lately.

It's a "Freedom Writers".

Based on a real story this film makes you think about your life. The story tells how important is everyone and how important being together. Characters <sup>are</sup> is a class of high school. Students have a lots of rows with each others. They ~~won't~~ <sup>want</sup> to understand the others, but a young woman who has just come to school like a teacher will make all of them a family.

Music will make an atmoshier.
